- 5. Planning weekends

A. I spend too much time of my weekend on the computer. There are plants in the garden to water, washing-up in the sink, clothes to iron, and walls to paint, but I am busy looking things up on the Internet! Still - it is the weekend.

B. Let's talk about our weekends! At the weekends, I usually do my homework (I have a lot of homework). Sometimes, I listen to the music or read my favourite books. I often watch films, twice a month. How about your weekend? Have a nice day.

C. During the weekends, I usually spend my time with all my family: my three children and my husband. On Saturday morning, I buy a lot of vegetables, fruit and all I need to prepare some good meals. In the afternoon we go for a picnic with some friends. It's a day to have time together. I try to make each weekend a holiday.

D. It's not easy to plan a weekend of family fun. Of course there are parks and rivers for outdoor activities. But no matter what your family likes, a visit to the museum is a good idea. There are lots of museums to all tastes. You can learn a lot about history of your town or painting. I think it's the best way to spend a weekend.
